Have you ever seen the joy on a child's face when he/she understands something that puzzled them? Become a DVS volunteer and you will!! Even if you have only one hour a week to give, you can make the difference in your child's school. Volunteers brighten lives. Please become one today!

**NON-WEEKLY VOLUNTEER OPPORTUNITIES:**

We have many opportunities throughout the year in which you may help. Often times these needs are presented to us at the last minute, and we have found that the best way to inform our parents of these needs is via email or a phone call. If you would like to hear of these opportunities, please provide us with your email address. If you do not use an email address, please provide us with your phone number.

Do you have any special skills or experiences that you would like to share with the children? We will share these with the teachers, and they will call upon you if there is a match.
